

Warranty

BakkerElkhuizen develops excellent products for making computer use healthy and efficient. Products from BakkerElkhuizen display the perfect combination of function, ergonomics, and design. All products are distributed via an extensive reseller and distributors' network.

BakkerElkhuizen products are carefully tested to ensure the quality of the ergonomic accessories.

We offer a standard 2-year warranty on our products. If other conditions apply, then this is indicated on the product's support page. The warranty does not cover damage or failure by misuse, neglect, accidents, such as exposure to extreme temperatures, solvents, acids, water and normal wear and tear.

Has your product failed with the warranty period, please contact your reseller. They will take care of a proper handling.

Always check the support page of the specific product on our website. Possibly you will find a solution for your problem.
